## BROOKLYN BLACK HAND LEADER WHO SWORE TO KILL PETROSINO CAUGHT

Palazzotto, Arrested in Palermo, Identified Here as Notorious Campanilo.

WAS PAL OF ALFANO.

Murder Victim Had Driven Both From This City Back to Italy and Prison.

While the Government police in Italy are dragnetting the boot of Europe and the island of Sicily in an effort to solve the murder of Joseph Petrosino, the police of this city are making wholesale arrests looking into the records of deported Italian criminals.

arrest of a man named Palazzotto in who had been deported at the instance have come to America as stowaways. of Petrosino, the Brooklyn police lost no time in identifying him under an- Italian criminals have managed to insin-

cabled reports as to Palazzotto's was lieved many of the sailors on these known here as Glovanni Campanilo. He steamships were members of the Cowas a young man about twenty-five, morra, and were therefore compelled by and pal and partner of Enrico Alfano, their oaths to lend all possible aid to esthe infamous leader of the Camorra, caping criminals who was deported from America in

Sent Back to italy.

Petrosino knew of Campanilo's inher, and she clung so closely to him that timacy with Alfano and had been hot he escaped with only minor injuries, on his trail for months. After the man had spent two months in a Jamaica, L. these criminals were able to dodge Ellis L. hospital, he was arraigned in court. Island and the inquisition there. Santell was before Magistrate Herr. No complainant appeared against him sailors dressed them in their clothes and man as complainant against Chef and he was discharged. Immediately Petrosino picked him up and brought once to other criminals who were in the to the attention of the authorities the country and became slaves to their tharged that they beat him with a rolling pin, frying pan and other kitchen record in Italy and was under charges there. He was deported to Palermo, he with them two delivery baskets a week vowing vengeance upon the detective as he left.

No record is obtainable here of what lobstaire patty," Santell alleges the chef to Palermo. To-day despatches from Rome state that Palazzotto was deported at the same time as the record qu Samuel, the butler, agreed with the been shot in the leg while that he had been shot in the leg while that he had been shot in the leg while that he would the rear door. But he would be scape from the police. But he would attempting to escape from the police. The police is not specificated by the same of the scape from the police. The police is not specificated by the same of Samuel, the butler, agreed with the shows Campanilo's deportation, also had had a not retire without the grocery baskets, and furthermore that he spent two

found came from the cellar of Inzer-bender the control of the cellar of Inzer-bender of the cellar of Inzer-bender of the cellar of other suspects were arraigned they were all turned out.

The Barrel Murder.

The police declared at this time, and none more emphatically than Petrosino, that it was an outrage to turn the barrel murder suspects out. There was damaging festimony against them, especially against Tomaso Petto, "Petto the Ox," as he was known. A pawnticket for the murdered man's watch was found on Petto. Furthermore it was alleged by Petrosino that the whole gang were allied with the Alfano crowd, 3 and that they were working hand-in-3 glove with his band of brigands and region.

4 The murder of Madenia grew out of an inside feud, and three months after his release "Petto the Ox" was murdered in Pennsylvania. His murder 17 occurred a very short time after a 177 man named Deprimo was released 5 from Sing Sing. Deprime had furnished the identification of Madonia, who had been a friend of his in

The rise of the Black Hand in this country dates from the discharge of the gang arrested as suspects in the "barrel" murder. In fact, the police declare the escape of these spurred on porrified the country for the past seven

> .................. How to Nip a Cold or Cough in the Bud

In spite of all the expariences of the ages, most people let a cough or cold go until it becomes troublesome, perhaps dangerous. This is probably because the proper medi-This is probably because the proper medicine is not on hand ready to take. If you will make up the simple remedy described below and keep it in your medicine chest you can wipe out a cold or cough as soon as it appears. One or two doses will usually do the work. A whole pint of it costs only 54 cents, and it can easily be made a home in five minutes. Use: 

Pinex ...... 214 oz worth) ha spint bottle and fill up the bottle with syrup made as follows: Take pint of Granulated Sugar, add one-half cu of water, stis and let boll just a moment Cork it tight and it will never spoil. Take a teaspoonful every one, two or three hours, as required. The taste is ver pleasant, a feature which makes it easy for children to take.

be beasant, a teature which haares to say to for children to rake.

Use the increments as given here. Granulated Sugar makes the best syrup, and nobetter syrup could be bought at any price. There are many pine oil and pine tar preparations, but there is far more medicinal value in the real Piner itself, which is, as you probably know, the most valuable concentrated compound of Norway White Pinestrate in a great degree, therefore, this simple recipe possesses the same curative agents that make the ozone of the pine forests such splendid medicine for lung and throat troubles. It is excellent for these things, as well as colds, whooping cough, being in the chest and similar aliments.
